Republican Mass Meeting!!

GRANT, WILSON & HARTRANFT!

RALLY! RALLY! RALLY!!

All citizens of Centre county are invited to attend a Meeting to be held in the

COURT HOUSE,

IN BELLEFONTE, ON

Tuesday Evening,

SEPTEMBER 24th, '72,

at 7½ o'clock.

HON. LEMUEL TODD, of Carlisle,

AND

GEN. C. E. CARR. of Illinois,

will be present and address the meeting.

Let all who are in favor of reaping the substantial fruits of the war, won by OUR BRAVE SOLDIERS; all who believe that if the REPUBLICAN PRINCIPLES ARE RIGHT, (as they are now admitted to be by our Enemies), REPUBLICANS CAN BEST ADMINISTER THEM; all who are opposed to FREE LOVE and AGRARIANISM; all who believe that Horace Greeley's sudden love for the Democratic party, is assumed and not real; all who are in favor of REWARDING FIDELITY, RATHER THAN TREACHERY, ATTEND.

JNO. T. JOHNSTON,
Chairman Rep. Co, Committee.

REPUBLICANS vote the whole ticket. Rember we advocate measures not men.

VOTERS of Centre county if you are honest in your friendship and your declarations in favor of the working men you will vote for LEVI A. MILLER for Sheriff.

"I KNOW General Hartranft well, both as a public officer and a man. As Auditor-General he showed himself a most faithful, upright, efficient and accommodating officer."—*Charles R. Buckalew.*

"FOR General Hartranft we have nothing but praise. He was a gallant soldier, and he has been a faithful official. He is a Radical Republican and would make a good Governor."—*John W. Forney.*

ANOTHER OLD DEMOCRAT IN LINE.—Gen. Benjamin Harris Brewster, ex-Attorney General and especial friend of Col. M'Clure, for whom he acted as attorney in the M'Clure-Grey contest, speaks at the Republican wigwam in Philadelphia to-night. He is one of the ablest speakers in the State. Who is the next man?

As every county polled a Republican majority at the recent election in Maine for the first time, and also elected a unanimous Republican State Senate, which is unparalleled in the State, the New York *Tribune* finds some comfort in the following announcement of their success in a small town: "Meddy bemps went Democratic anyway."

JOHN F. HARTRANFT is the first Auditor General of Penesylvania who busied himself sufficiently in the interests of the people, to recommend the repeal of a specific tax levy. Every owner of a farm and a house owes the repeal of the tax on real estate to Hartranft's direct influence, because he recommended and personally urged its repeal in the Legislature.

THE Reading *Times* says: Charles R. Buckalew was a member of the order of "Sons of Liberty," the organization which the rebels so much relied on to get up a counter rebellion in the North, and to stimulate which the rebel agents took up a position in Canada. It was here that Buckalew had an interview with Holcombe. Not only was Mr. Buckalew a member, but he was an officer of the order.

NORTH CAROLINA.—The complete official vote of the late election in North Carolina, shows a Republican majority of 3,290 on the Congressional vote, and 1915 for Governor. Merrimon, the defeated democratic candidate for Governor, has given notice to his friends that he has been fairly beaten before the people, and that he will have nothing to do whatever, with the threatened investigation before the Legislature, on the plea of fraud.

Organize! Organize!

Republicans of Centre county, are you organized, ready and prepared for the election on the 8th day of October?

There are not quite three weeks until the election. Can you, will you, perfect your work in the several townships within the brief time allotted you?

Remember, that Saturday, September 28th, is the LAST DAY before the October election for REGISTERING VOTERS.

The Democracy are working. They are secretly acting. Do not allow yourselves to be deceived. You must go to work. You must work with a will, and with the same zeal and energy to counteract their efforts.

They admit that Gen. Hartranft will be elected Governor, and they are, therefore, working for a hopeless and a lost cause.

This fact should stimulate you and all Republicans to put forth every effort to redeem the county.

Work to make the Republican majority so large in October that the mongrel ticket headed by Greeley, Brown and Buckalew will not have a Corporal's guard in numbers.

The members of the township committees should go to work at once, and see that every Republican voter is REGISTERED.

Do not wait until the 28th of September for the performance of this duty. Be sure to be registered. It saves trouble. It saves time.

See to it Republicans that every man—every Republican, every workingman, every man who believes in a TARIFF, protection to, and for AMERICAN WORKINGMEN—is at the election on the 8th of October.

Go to work, remembering all the time, if we elect General Hartranft at the October election we will have no trouble to carry the State for Gen. Grant, for President in November.

To work, Republicans, to work.—Work late, work early. Make up your minds that the Mongrel, Confederate Party cannot be trusted. They tried to destroy the Government. They murdered three thousand of your sons. Do not trust them now. Remember Libby prison, Saulsbury and Bell Isle.

Remember the widows and orphans, and remember the disloyal record of Charles R. Buckalew.

Do Not Forget,

That the Democrats in Pennsvalley have saved the Court House Ring for the last twelve years past, and now in their county convention they are given the go-bye and told that they have not a man in the valley fit for Sheriff or any position on the Democratic ticket, except for County Auditor. Democrats of Pennsvalley, might you not ask in the language of one of old, "is thy servant a dog that he should do this thing?" Will you be tools forever?—Will you submit to the party lash all your life time and see your friends slaughtered as regularly from year to year, as your county convention assembles? Think a little. Pause, REFLECT THINK, ACT. *Are you freemen, or are you slaves?* Can you, *dare* you vote against the Court House Ring? We believe you dare, and we feel and know that you will. "Strike for your alters and your fires" &c.

AWORD TO THE WISE.

In two weeks from next Tuesday the election in Pennsylvania will be held. There is but little time. We have a great work to perform in this brief period. Voters of Centre county are you prepared to do your whole duty? This is an important election. Shall the Ku-Klux and the rebels rule for the next four years! Do YOU WANT ANOTHER CIVIL WAR? DO YOU WANT YOUR SONS, YOUR BROTHERS AND YOUR FRIENDS murdered as they were during the bloody struggle to put down the slave holders rebellion? If you do not, vote the whole Republican ticket. Vote for Gen. Grant and for Gen. Hartranft. The victory is ours.

TAX-PAYERS, if you will consult your own interests you will vote for John I. Thompson for County Commissioner. There should be one Republican in the Board. He would WATCH the RING. He is an honest man. He is a correct financier. Vote for Jno. I. Thompson and we will reduce the SIX MILLS TAX.

IF YOU are opposed to the Law Library bill, vote for J. G. Kurtz, for the Legislature.

REMEMBER,

Tax-payers of Centre county, that you must be Registered TEN days before the election. Let there be no delay in attending to this duty. Do not lose your vote by any negligence on your part.

DO NOT FORGET,

That you must pay a State or County tax in order to secure a vote. A tax receipt generally settles all disputes at the polls relating to the right of a voter, as it proves assessment and registry. Every voter should have his tax receipt in his pocket when he goes to the polls.

REMEMBER,

Republicans of Centre county, that we are still battling with the old enemies of our country.

REMEMBER,

The TORIES of the Revolution, the fate of the enemies of the war of 1812, and of the Mexican war, and

DO NOT FORGET,

That those who opposed the war to crush out the SLAVE-HOLDERS' REBELLION, SHOULD and WILL receive the same merited punishment as did the TORIES at the hands of a loyal and patriotic people. And,

KEEP it BEFORE the PEOPLE,

That we struggle now for the magnitude of a great Republican majority in Pennsylvania, in October next. We want to show the Republicans of other States what we can do in the face of the most unscrupulous enemy with which we have been compelled to contend since the rebels starved our Union soldiers in Libby Prison, and murdered them at Andersonville.

REMEMBER,

Republicans, soldiers, taxpayers of Centre, that Jno. W. Forney, A. K. McClure, M. B. Lowry and all that sorehead class are opposing Gen. Jno. F. Hartranft, simply because he would not cover, nor permit them to cover their tracks in one of the greatest swindles ever perpetrated upon the State.

REMEMBER,

That Jno. W. Forney, admitted in his sworn testimony, to having received $2,000 of the Evans steal.

Keep it Before the People,

That during the whole of Charles R. Buckalew's term in the United States Senate, he never gave one vote in favor of the Union Soldier, nor in favor of the true interests of his State.

Keep it Before the People,

That he went to Canada and plotted with Holcombe and other rebels, to burn our cities, to spread small pox, yellow fever and other infectious diseases all over the country, and that he was in favor of the Southern Confederacy in all his votes and in all his acts. And

Democrats Remember,

That he was the chief or leading spirit in selling you out at Baltimore, to Horace Greeley and the Liberal Republicans, thereby declaring that he had no fixed principles, and that out of three millions of Democrats you had not a single member qualified for the office of President of the United States. Will you vote for him?

Why and What.

Why is it that the *Watchman* will not turn Republican, and run up Greeley's name? What is the reason that two thirds of that paper is filled with literary matter instead of politics? Why is it thus? And was it ever so before? The dog is dead, and the course pursued by the *Watchman*, proves that there is no hope for that party. Alas! Poor Greeley!

VOTERS of Centre, can you tell why your county taxes are SIX MILLS on the dollar? If the county is out of debt, why are the taxes so high? Why is it that under Republican rule your county taxes were but TWO AND ONE-HALF MILLS to the dollar? Vote for Jno. I. Thompson, save your money and reduce your county taxes. To work, friends, let us clean out the RING.

REMEMBER that Gen. Jno. F. Hartranft has been the Auditing Officer of the State for the last six years, and that during that period he has paid over TEN MILLIONS of the State debt. He will make a good Governor. He is an honest man and a brave soldier. He sprung from the people, and, therefore, understands their wants. Vote for Gen. Hartranft.

BUCKALEW, THE WORKINGMEN AND THE SOLDIERS.

Charles R. Buckalew, the candidate of the Greeley Democracy, is stumping the State begging for votes. He appeals to the soldiers and workingmen for support with an assurance which is surprising and at the same moment disgusting. What claims he may have upon either they cannot understand. He is certainly not the friend of the latter, from the fact that his instinct naturally is to avoid all contact with the laboring men of the State. His aristocratic feelings and "I-am-better-than-you" bearing, proclude anything like an acquaintance even with the men who toil for their daily bread and by the sweat of their brows fill the coffers of the lordly aristocrat and large property holder. Buckalew belongs to that class of politicians who make great professions on the eve of an election of a love for workingmen, but who, so soon as their aims are accomplished, forget all promises and give the go-by to those who believed them honest. He always has been and is now affilliated with those who believe with the Southern rebels that all mechanics and laborers are but the mudsills of society upon which aristocracy builds its princely fortune. In all his public career he has never had anything to say in behalf of the miners and mechanics either of Pennsylvania or the nation. What claim, then, has he upon them for their suffrages, and can his honied phrases seduce them into his support? In this day of education and general intelligence, they are not ignorant of the record of our public men, and consequently cannot be beguiled by the soft words and winning smiles of a stumping demagogue like Buckalew, the free-trader.

His appeals to the soldiers for help in his dire necessity will meet with no response except that of indignation at his brazen assurance. When they were at the front holding the rebels in check and preventing them from invading the soil of Pennsylvania, deluging it with blood and giving its villages and towns and cities to plunder and the torch, Buckalew sat silent in his seat in the United States Senate, with no word of kindly cheer, no hearty expression of encouragement and no acknowledgment of their unselfish and patriotic services. For them he had no sympathy. Cold-blooded and frigid in nature the only warmth of feeling engendered in his breast was that which went out toward the rebels in their efforts to destroy the Union. What to him was the sacrifice of Pennsylvania's sons so that Jeff. Davis was successful? What to him the pouring out like water of Pennsylvania's best blood upon the battle-fields of Virginia and the Southwest, so that Lee and Bragg and Hood were victorious? What to him the terrible and sanguinary struggle at Gettysburg on soil of his own State, so that the grey hordes of the South might triumph?

The thought that any *true* soldier of our heroic armies can be induced to support such a candidate for office, is one not to be entertained. To the vote of no soldier is he entitled by any act of his official or civil life, and it is useless for him to make tender appeals to them now on the strength of his being the nominee of the Democratic party. There are some who were in the war who still cling to the dead issues of the past, and these will vote for Buckalew, but they are few and very far between. For General Hartranft the great mass of the men who put down the rebellion and restored peace to the country will vote without hesitation, knowing that their support is worthily bestowed upon one who shared with them the privations of the camp, the sufferings of the march, and the deadly perils of the battle-field. They know his honesty, his valor and his qualifications, and will heartly give him their undivided support.

VOTE for Levi A. Miller, workingmen of Centre county, if you would have your influence felt in politics. Shall we be tools forever? Shall we be hewers of wood and drawers of water forever? If not, make yourselves felt by voting for Levi A. Miller. Stand by your own class. If you will not do this, cease complaining in the future.

REMEMBER voters of Centre county, that a vote given for Jno. H. Orvis, for the Legislature, is a vote in favor of the Law Library; is a vote in favor of heavy fines and the immediate collection of them. Self preservation is the first law in nature.

IF you want a good and true man in the Legislature, vote for John G. Kurtz.

MORE VILLAINY OF BUCKALEW'S FRIENDS

The Murder of Lincoln a Part of Their Scheme.

THE PRESIDENT MARKED FOR DESTRUCTION.

Infected Clothing Sent Him by Express as a present.

THE SWORN PROOFS.

The enormity of Buckalew's treason can only be measured by the atrocious designs of the rebels he skulked to Canada to see and consult, and it would seem that their crimes are grosser and more fiendish the more light we get upon them. Read this taken from *Pitman's Report of the Trial of the Assassins of Abraham Lincoln:*

Godfrey Josephs Hyams, sworn: "I am a native of London, England. About the middle of December, 1863, I made the acquaintance of Dr. Blackburn. He asked me if I would go south and serve the confederacy. I said I would .....I was to stay in Toronto and go on with my legitimate business until I heard from him.....I had been out to take a pair of boots to a customer of mine, and when I returned home my wife had a letter for me from Dr. Blackburn. I read the letter.....The letter instructed me to proceed to Montreal and thence to Halifax to meet Dr. Blackburn. It was dated Havana, May 10, 1864.....When Dr. Blackburn arrived at Halifax he sent to the Farmers' Hotel, where I was staying, for me. I went to see him and he told me some "goods" were on board the steamer Alphia. Mr. Hill, the second officer, told me to get an express wagon and take it to the Cunard wharf. I did so and there got eight trunks and a valise .....I then went to Dr. Blackburn and told him I had got the goods off the steamer. He told me the five trunks tied up with ropes were the ones for me to take, and asked me if I would *take the valise into the States, and send it by express, with an accompanying letter, as a present to President Lincoln!* I declined. Dr. Blackburn, by way of caution, asked me before leaving if I had had the yellow fever? On my answering No he said "You must have a preventive against catching it. You must get some strong cigars, the strongest you can get, and be sure to wear gloves when handling the things. When I arrived in Washington I turned over five trunks to W. L. Wall & Co., commission merchants. Dr. Blackburn told me that his object in having these goods disposed of *in different cities was to destroy the armies, or anything they came in contact with! All these goods had been carefully infected in Bermuda with yellow fever, small pox, and other infectious diseases! The goods in the valise,* WHICH WERE INTENDED FOR PRESIDENT LINCOLN, HAD BEEN INFECTED BOTH WITH YELLOW FEVER AND SMALL POX! I afterwards heard it had been sent to the President. On disposing of the trunks I immediately left Washington and went to Hamilton, Canada. IN THE WAITING ROOM THERE I MET Mr. Holcombe and Mr. Clement C. Clay! They both rose and shook hands with me, AND CONGRATULATED ME ON MY SAFE RETURN!

* * * * THEY SEEMED PERFECTLY TO UNDERSTAND THE BUSINESS IN WHICH I HAD BEEN ENGAGED! *Mr. Holcombe told me Dr. Blackburn was at Montreal, and that I had better telegraph him stating that I had returned!*

And these are the men whom the Democratic candidate for Governor of Pennsylvania, Charles R. Buckalew, skulks to Canada to meet and counsel! Voters of Pennsylvania! is this the kind of man you want for the highest office in the State? Are you prepared for the disgrace of such a chief magistrate?—*Harrisburg Telegraph.*

HENDRICK'S friends in Indiana, and Pendleton's friends in Ohio are very sour with each other, the former charging the latter with having defeated the aspirations of their favorite for the presidency. They are now resolved to make Greeley suffer.

TAX-PAYERS, REMEMBER, that you pay no taxes on REAL ESTATE, and for this idea you are indebted to Jno. F. Hartranft.

VOTERS, REMEMBER, if you do your whole duty Gen. Hartranft will be elected Governor by 25,000 majority.

WILL REBEL SOLDIERS BE PENSIONED?

Will the Rebel Debt be Paid?

Will the Federal Debt be Increased?

GREELEY COMMITTED TO ALL THESE EVILS!

HIS RECORD CANNOT BE DENIED!

READ THE PROOFS!!

Mr. Sumner having turned his back on his past life, is now engaged in the work of all apostates. And like most apostates he has exhibited a cowardly desire to escape the just censure earned by his unfaithfulness by a flight to Europe. To show the egotism of the man we only transfer to these pages one paragraph from his last, endless screed. He is speaking of Greeley and says "to say that under him slavery can ever be revived, or that the rebel debt, or pensions to rebel soldiers, or compensation for slaves, can find favor, or that the equal rights of the Freedmen, to which he is so solemnly pledged, can in any way be impaired is atrocious. * * * * * * I dismiss the whole *partisan extravagance* to the contempt it deserves." Very high sounding and very fine indeed. Now let us know how much "contempt" such charges "deserve."

No one has pretended that slavery can be revived under Greeley or any one else. *But the only legal abstract to* PAYING THE REBEL DEBT, PAYING FOR EMANCIPATED SLAVES, AND PAYING PENSIONS TO REBEL SOLDIERS, *is the XIV Amendment.* AND THE ONLY MEN IN AMERICA WHO DENOUNCE THIS AMENDMENT as a fraud and a nullity are strong supporters of Horace Greeley for President!

Would it be considered as unworthy of serious consideration if a vast majority of those supporting Grant were in favor of taking away the suffrage from the negro? Would such a design, so supported, be deserving of "contempt?" And if not—if, on the other hand, such a design was the subject of an anxious fear that the Republicans in power, would deprive the negro of his franchise, by what kind of reasoning can it be argued that the taxpayers should not be nervous concerning the hate shown to the XIV amendment by Greeley supporters, and the men who will control him if he is elected?

The whole attempt to allay public anxiety in this affair is insincere and dangerous! We know that Jerry Black and Buckalew, speaking for every noted copperhead and rebel in the country, denounce this amendment as "A FRAUD," and declare it "NULL." We know that Horace Greeley recommended to Mr. Lincoln the advisability of increasing the national burden $400,000,000 and paying this sum to slaveholders for manumitted slaves. We know Horace Greeley is accused by a newspaper of unsullied character of having pledged himself to Mr. Carmichael—a Democratic leader of the State of New York, who first brought Horace out for President—to favor the payment of pensions to rebel soldiers, and that this charge has never been met! And we know, in support of this charge, that Horace Greeley said, at Memphis, "I hope the time is not far distant when the American people will hold in equal honor and affection the soldiers who fought under Lee and Stonewall Jackson, and the men who fought under Grant and Sherman." The honor in which the American people hold "the men who fought under Grant and Sherman" induces them to willingly pay them pensions, honor their lives, vote them into the highest offices, and revere their patriotism; and when they hold rebels in "equal honor and affection" it cannot be questioned equal rewards must follow.

The rebellion is revived at the ballot-box with Horace Greeley as its leader! And if it wins this fight look out for all the tyrannical punishment of Union men and soldiers it would have wreaked upon us if the traitors had won their fight with muskets and cannon under Lee and Jeff. Davis! It is the same crew. It must be fought with the same determination. It will inflict the same punishment if Grant must surrender to Greeley, as if Grant had surrendered to Lee!

ARE you Assessed? Are you Registered? If not, attend to it at once. Do not wait for the Committee to stir you up.

REPUBLICANS, do not scratch single ticket. Vote for John G. Kurtz and the entire ticket.

BELLEFONTE REPUBLICAN

BELLEFONTE, PA.

Wednesday Morning, Sept. 18th, 1872

For the REPUBLICAN.

MILL CREEK, Sept. 5th, 1872.

MR. EDITOR:

Sudden changes of opinion always engender distrust, unless they are accompanied by causes apparent and fully adequate to explain this veering in sentiment.

Every proselyte to a contrary faith is looked upon with suspicion, and especially is this true where no sufficient reason can be perceived for a revolution in sentiment, or a change in life-long action, nor is such a conversion regarded as genuine or as the fruit of reason or due consideration; but rather as the product of passion and disappointment.—And where such a conversion is calculated to subserve ambitious ends and lofty aspirations the motive power is regarded as mercenary, selfish and dishonorable.

Every effect must have an adequate cause; and when persons who have devoted their talents and energies to the promotion and furtherance of some great work, suddenly cease their labors, and not only cease their labors, but attempt to destroy the work of their own hands, persons naturally seek for the cause of this change and never rest satisfied until it is fully explained.

Such is the position that Greeley and others occupy at the present day; but the cause is so apparent that; "a wayfaring man, through a fool need not err."

The sage of Chappaqua has suddenly betaken himself to those whom he ever denounced as drunkards, thieves bummers, pimps, et cetera; and wherefore?

If H. G. was as honest as he is represented by his copperhead friends he would say, in the language of another and greater:

> "It must be so. People you reason well,
> It is a pleasing hope, a fond desire—
> This longing after the Presidency."

Sage as he is represented to be, yet he seems not to know, that

> "There's nothing so becomes a man
> As modest stillness and humility,"

Else he would not go about the country prating and preaching, but would leave that for others; but so ardent is he to secure the prize for which his heart has so long ached, that he ignores all precedents and takes the "stump" in his own behalf and in behalf of a bastard party. He has deserted the great and noble party to which he was attached, and joined the Democratic party, not the old original Democratic party to which it was an honor to belong, but the modern Democratic party, the degenerate Democratic party, the party of corruption and secession, the party without honor and without shame. Without any fixed principles or course of action, he is now the alley of a party which is continually oscillating between bad and worse; between corruption and supercorruption, and unblushingly he takes his place as chief.

"How have the mighty fallen."

After fishing for years, for a nomination at the hands of the Republican party but failing to catch the slippery prize he sudenly leaves the pure, lucid waters in which he is fishing, and commences to angle in a dirty filthy frog-pond and already his effort is rewarded by a tadpole. It appears to be a pretty large creature when first you view it but when examined closely it dwindles into nothingness, infinitely less than the narrative of a "polly wag" whittled down to the little end of nothing. This tad-pole nomination extends to November when H. G. like the hinder part of an embryo frog will abruptly terminate in nothing, He will be

> "Hurled headlong, flaming from the etherial sky
> With hideous ruin and combustion, down
> To bottomless perdition."

The Democratic party thought that, with the aid of Greeley, Sumner, Trumbell, and Schurz, they could crawl out of the dirty, filthy slough where they have so long been floundering, but the result is they stepped from the mud into the mire, and took these *worthies* with them, where they are now wallowing together, and where they must ever remain in their "dark approbrious den of shame." The Republican party will not follow them in their mad plunge, nor will any Democrat who has a particle of manhood or principle in his nature. They are entirely repudiated here by Republicans, and are regarded with contempt by a goodly number of the Democracy.

Yours, &c.,

KRINO.

New York State.

An intelligent correspondent concludes his letter: Don't make yourself in the slightest degree uneasy about New York. Long-headed, clear sighted Democrats concede that it will go for Grant and Dix by at least as big a majority as Hoffman got two years ago. Everybody knows just who and what General Dix is, and what he has been; but nobody outside of his own county knows anything about Francis Kernan, except that during the rebellion he was an unconditional copperhead, who would much rather have had Jeff. Davis in the White House than Abraham Lincoln. When a choice has to be made between two such men as these there can be no doubt as to what the people's decision will be.

THINGS THAT WILL NOT BE DENIED.

It will not be denied that Charles R. Buckalew is a professional office-seeker and office-holder—he having been in office, almost without intermission, for the past quarter of a century.

It will not be denied that he is a political intriguer and trickster.

It will not be denied that he violated principles he had previously declared in his support of M'Clure in the contested election case.

It will not be denied that he squandered the public money in the Gray-M'Clure investigation—taking $500 for himself when he was receiving pay as a Senator, and giving M'Clure $2,500 in addition to his salary of $1,000 for a few days' services as Senator.

It will not be denied that his payment of $2,391 25 to a favorite Philadelphia landlord for a few days' board, &c., for the investigating committee, was a shameful waste of the State's money.

It will not be denied that his sympathy with the South throughout the rebellion makes it impossible for loyal people consistently to support him.

It will not be denied that during the dark hours of the rebellion he visited Canada, where rebel emissaries were located to burn our cities and send disease among our people, and held communication with them.

It will not be denied that he was one of five U. S. Senators—Powell and Davis, of Kentucky, and Saulsbury and Wright being the other four—to make our government pay in gold, when gold was at a premium of 2.40, and when such a law would have made it utterly impossible to continue the war for the Union, and would have made the rebellion a success.

THE roses of pleasure seldom last long enough to adorn the brow of him who plucks them, and they are the only roses which do not retain their sweetness after they have lost their beauty.

NOTICE is hereby given that the General Election will be opened between the hours of 6 and 7 o'clock, in the forenoon, and shall continue without interruption or adjournment until 7 o'clock in the evening, when the polls shall be closed.

And in and by the said act I am further directed to give notice "that every person except justices of the peace, who shall hold any office or appointment of profit and trust under the government of the United States, of this State, or of any city or incorporated district, whether a commissioned officer or otherwise a subordinate officer or agent who is or shall be employed under the Legislative or Executive or Judiciary department or this State, or of any incorporated district; and also that every member of Congress and of select or common council of any city, commissioners of any incorporated district, is by law incapable of holding or exercising at the same time the office or appointment of judge, inspector or clerk of any election of this Commonwealth, and that no inspector, judge, or any other officer of any election, shall be eligible to any office then to be voted for."

The inspectors and judge of the elections shall meet at their respective places appointed for holding the election in the district, to which they respectively belong, before seven o'clock in the morning, and each of said inspectors shall appoint one clerk, who shall be a qualified voter of such district.

In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place; and in case the person elected judge shall not attend, then the inspector who received the highest number of votes shall appoint a Judge in his place; or if any vacancy shall continue in the board for the space of one hour after time fixed by law for the opening of the election, the qualified voters of the township, ward, or district for which such officers shall have been elected, present at such election, shall elect one of their number to fill such vacancy.

It shall be the duty of the several assessors of each district to attend at the place of holding every general, special or township election, during the whole time said election is kept open, for the purpose of giving information to the inspectors and judges when called on, in relation to the right of any person assessed by them to vote at such election, or such other matters in relation to the assessments of voters as the said inspectors or either of them shall from time to time require.

No person shall be permitted to vote at any election, as aforesaid, other than a white freemen of the age of twenty-one years or more, who shall have resided in the State at least one year, and in the election district where he offers his vote at least ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days immediately preceding such election, and within two years paid a State or county tax which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in the State six months: *Provided*, That the white freemen, citizens of the United States, between twenty-one and twenty-two years, who have resided in an election district as aforesaid, shall be entitled to vote, although they shall not have paid taxes.

No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants furnished by the commissioners, unless first, he produce a receipt for the payment within two years of a State or County tax assessed agreeably to the Constitution, and gives satisfactory evidence either on his oath or affirmation, or the oath or affirmation of another, that he has paid such a tax, or on failure to produce a receipt, shall make oath to the payment thereof. Second, if he claim the right to vote by being an elector between the age of twenty-one and twenty-two years, he shall depose on oath or affirmation that he has resided in this State at least one year next before his application, and make such proof of residence in the district as is required by this act, and that he does verily believe from the account given him, that he is of age aforesaid, and such other evidence as is required by this act; whereupon the name of the person thus admitted to vote shall be inserted in the alphabetical list by the inspectors, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid tax; or the word "age," if he shall be admitted to vote by reason of such age, shall be called out to the clerks, who shall make the like notes on the list of voters kept by them.

In all cases where the name of the person claiming to vote is found on the list furnished by the commissioners and assessor, or his right to vote, whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided in the State for one year or more his oath shall be sufficient proof thereof, but shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided in the district for more than ten days next immediately preceding such election, and shall also himself swear that his bona fide residence, in pursuance of his lawful calling, is in said district, and that he did not remove into said district for the purpose of voting therein.

Every person qualified as aforesaid, and who shall make due proof, if required, of the residence and payment of taxes as aforesaid, shall be admitted to vote in the township, ward, or district in which he shall reside.

If any person shall prevent or attempt to prevent any officer of any election under this act from holding such election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up the window or avenue to any window where the same may be holding, or shall riotously disturb the peace at such election, or shall use any intimidating threats, force or violence, with design to influence unduly or overawe any elector, or to prevent him from voting or to restrain the freedom of choice, such persons, on conviction, shall be fined in any sum not exceeding five hundred dollars, and imprisoned for any time not less than three nor more than twelve months; and if it shall be shown to Court, where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward, district or township where the offence was committed, and not entitled to vote therein, then on conviction he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

If any person, not by law qualified, shall fraudulently vote at any election of this Commonwealth, or being otherwise qualified shall vote out of his proper district, if any person knowing the want of such qualification, shall aid or procure such person to vote, the person offending, shall on conviction be fined in any sum not exceeding two hundred dollars, and be imprisoned in any term not exceeding three months.

If any one shall vote at more than one election district, or otherwise fraudulently vote more than once on the same day, or shall fraudulently fold and deliver to the inspector two tickets together, with the intent illegally to vote, or who shall procure another to do so, he or they offending, shall on conviction, be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for a term not less than three nor more than twelve months.

REGISTRY LAW.

I also give official notice to the electors of Centre county, that, by an act entitled "An Act further supplemental to the act relative to the elections of this Commonwealth," approved April 17, A. D. 1869, it is provided as follows:

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same*, That it shall be the duty of each of the assessors within this Commonwealth, on the first Monday in June of each year, to take up the transcript he has recieved from the county Commissioners under the eight section of the act of fifteenth April, eighteen hundred and thirty-four, and proceed to an immediate revision of the same by striking therefrom the name of every person who is known by him to have died or removed since the last previous assessment from the district of which he is the assessor, or whose death or removal from the same shall be made known to him, and add to the same the name of any qualified voter who shall be known by him to have moved into the district since the last previous assessments, of whose removal into the same shall have been made known to him and also the names of all who shall make claim to him to be qualified voters therein. As soon as the revision is completed he shall visit every dwelling house in his district and make careful inquiry if any person whose name is on his list has died or removed from the district, and if so, to take the same therefrom, or whether any qualified voter resides therein whose name is not on his list, and if so, to add the same thereto; and in all cases where a name is added to the list a tax shall forthwith be assessed against the person; and the assessor shall in all cases ascertain, by inquiry, upon what ground the person so assessed claims to be a voter. Upon the completion of the work, it shall be the duty of each assessor as aforesaid to proceed to make out a list in alphabetical order, of the white freemen above twenty-one years of age, claiming to be qualified voters in the ward, borough township or district of which he is the assessor, and opposite each of said names state whether said freeman is or is not a housekeeper; and if he is, the number of its residence, in towns where the same are numbered, with the street, alley or court in which situated and if in a town where there are no numbers, the name of the street, alley or court on which said house fronts; also the occupation of the person, and where he is not a housekeeper, the occupation, place of boarding and with whom, and if working for another, the name of the employer, and write opposite each of said names the word "voter;" where any person claims to vote by reasons of naturalization, he shall exhibit his certificate thereof to the assessor, unless he has been for five consecutive years next preceding a voter in said district; and in all cases where the person has been naturalized the name shall be marked with the letter "N;" where the person has merely declared his intentions to become a citizen and designs to be naturalized before the next election, the name shall be marked "D. I.;" where the claim is to vote by reason of being between the ages of twenty-one and twenty-two as provided by law, the word "age" shall be entered; and if a person has moved into the election district to reside since the last general election, the letter "R" shall be placed opposite the name. It shall be the further duty of each assessor as aforesaid, upon the completion of the duties herein imposed, to make out a separate list of all new assessments made by him, and the amount assessed upon each, and furnish the same immediately to the county commissioners, who shall add the names to the tax duplicate of the ward, borough, township or district in which they have been assessed.

SEC. 2. On the list being completed and the assessments made as aforesaid, the same shall forthwith be returned to the county commissioners, who shall cause duplicate copies of said lists, with the observation and explanations required to be noted as aforesaid, to be made but as soon as practicable and placed in the hands of the assessor, who, shall prior to the first of August in each year, put one copy thereof on the door or on the house where election of the respective district is required to be held, and retain the other in his possession, for the inspection, free of charge of any person resident in the said election district who shall desire to see the same; and it shall be the duty of the said assessor to add from time to time, on the personal application of any one claiming the right to vote, the name of such applicant, and mark opposite each name "C. N." and immediately assess him with a tax, noting, as in all other cases, his occupation, residence, whether a boarder or housekeeper; if a boarder, with whom he boards; and whether naturalized or designed to be, marking in all such cases the letters opposite the name, "N." or "D. I." as the case may be. If the person claiming to be assessed be naturalized, he shall exhibit to the assessor his certificate of naturalization; and if he claims that he designs to be naturalized before the next ensuing election, he shall exhibit the certificate of his declaration of intention; in all cases where any ward, borough, township or election district is divided into two or more precincts, the assessor shall note in all his assessments the election precinct in which each elector resides and shall make a separate return for each to the county commissioners, in all cases in which a return is required from him by the provisions of this act: and the county commissioners, in making duplicate copies of all such returns shall make duplicate copies of the names of the voters in each precinct, separately and shall furnish the same to the assessor; and the copies required by this act to be placed on the doors of or on election places on or before the first of August in each year, shall be placed on the door of or on the election place in each of said precincts.

SEC. 3. After the assessments have been completed on the tenth day preceding the second Tuesday in October of each year, the assessor shall, on the Monday immediately following, make a return to the county commissioners of the names of all persons assessed by him since the return required to be made by him by the second section of this act, noting opposite each name the observations and explanations required to be noted as aforesaid; and the county commissioners shall thereupon cause the same to be added to the return required by the second section of this act, and a full and correct copy therefrom to be made, containing the names of all persons so returned as resident taxables in said ward, borough, township, or precinct, and furnish the same, together with the necessary election blanks, to the officers of the election in said ward, borough, township, or precinct, on or before six o'clock in the morning of the second Tuesday in October; and no man shall be permitted to vote at the election on that day whose name is not on said list, unless he shall make proof of his right to vote, as hereinafter required.

SEC. 5. It shall be lawful for any qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxables, to challenge the vote of such person; whereupon the same proof of the right of suffrage as is now required by law shall be publicly made and acted on by the election board and the vote admitted or rejected, according to the evidence; every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district in which he offers his vote; and on the vote of such person being received, it shall be the duty of the election officers to write or stamp on such certificate the word "voted," with the month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of the same certificate, excepting where sons are entitled to vote by virtue of the naturalization of their fathers, they and the person who shall offer such second vote, upon so offending shall be guilty of a high misdemeanor, and on conviction thereof, be fined or imprisoned, or both, at the discretion of the court; but the fine shall not exceed one hundred dollars in each case, nor the imprisonment one year; the like punishment shall be inflicted, on conviction, on the officers of election who shall neglect or refuse to make, or cause to be made, the indorsement required as aforesaid on said naturalization certificate.

SEC. 6. After completing the list, a copy thereof shall be placed on the door of, or on the house where the election is to be held, at least eight days before the election; and at the election the same course shall be persued, in all respects as is required by this act and the acts to which it is a supplement, at the general elections in October. THE GREAT SOUTH AMERICAN **JURUBEBA** BLOOD PURIFIER

It is not a physic which may give temporary relief to the sufferer for the first few doses, but which, from continued use brings Piles and kindred diseases to aid in weakening the invalid nor is it a doctored liquor, which, under the popular name of "Bitters" is so extensively palmed off on the public as sovereign remedies, but it is a MOST POWERFUL TONIC AND ALTERATIVE, pronounced so by the leading medical authorities of London and Paris, and has been long used by the regular physicians of other countries with wonderful remedial results.

DR. WELL'S EXTRACT OF JURUBEBA,

retains all the medical virtues peculiar to the plant and must be taken as a permanent curative agent.

IS THERE WANT OF ACTION IN YOUR LIVER & SPLEEN? Unless relieved at once, the blood becomes impure by deleterious secretions, producing scrofulous or skin diseases, Blotche, Felons, Pustules, Canker, Pimples, &c., &c.

Take JURUBEBA to cleanse, purify and restore the vitiated blood to healthy action.

HAVE YOU A DYSPEPTIC STOMACH? Unless digestion is promptly aided the system is debilitated with loss of vital force, poverty of the Blood, Dropsical Tendency, General Weakness or Lassitude.

Take it to assist Digestion without reaction, it will impart youthful vigor to the weary sufferer.

HAVE YOU WEAKNESS OF THE INTESTINES? You are in danger of Chronic Diarrhoea or the dreadful Inflammation of the Bowels.

Take it to allay irritation and ward off tendency to inflammations.

HAVE YOU WEAKNESS OF THE UTERINE OR URINARY ORGANS? You must procure instant relief of you are liable to suffering worse than death.

Take it to strengthen organic weakness or life becomes a burden.

Finally it should be frequently taken to keep the system in perfect health or you are otherwise in great danger of malarial, miasmatic or contagious diseases. JOHN Q. KELLOGG, 18 Platt St., New York, Sole Agent for United States. Price One Dollar per Bottle. Send for Circular. 36-4t

THE Crawford *Journal*, which has persistently refused to hoist the Republican State ticket, has changed hands, and now floats at its editorial head the names of Hartranft, Allen and Mercur. The proprietor of the *Journal* had but one resource left him, either to dispose of his paper to men who would be true to the Republican cause, or accept a competition in a new concern which would have bankrupted him. He concluded to retire from the field, and this renders the *Journal* once more a staunch Republican organ.—*State Journal.*

THE RAILROAD CANDIDATE!

THE CONVENTION WHICH NOMINATED BUCKALEW DENOUNCED!

THE CENTRAL ORGAN DENOUNCES THE RAILROAD MANAGERS!

Another Democratic Journal Endorses the *Patriot's* Course!

WORKINGMEN READ THE CHARACTER OF THE CANDIDATE NOMINATED BY THE MONOPOLY!

The Central Organ, the Harrisburg *Daily Patriot*, denounces the ticket nominated at Reading in the following spirited language:

"Such prominent and able Democrats of Philadelphia as George W. Biddle, Henry M. Phillips, Jas. Campbell, John O. James and Daniel M. Fox were rejected by this committee at the instance of the delegates from that city and their allies elsewhere. This result could not have been accomplished in the body of the convention. In their stead appears Mr. B. F. GOWEN, PRESIDENT OF THE READING RAILROAD COMPANY with two or three corporation attorneys at his heels."

WORKINGMEN, you know what a friend the Reading railroad company has been to you for the past three years, and they have also nominated CHAS. R. BUCKALEW for Governor.

The *Sunday Dispatch*, another old and influential Democratic paper published in Philadelphia, publishes the following strong indictment against the Democratic candidate for Governor. Read it carefully:

QUESTIONS FOR BUCKALEW.

Charles R. Buckalew, the Democratic candidate for Governor of this State, is to deliver an address in this city this evening. Will the gentleman oblige numerous persons by stating what his views are now on the following questions:

Why does he carefully ignore all references to the Presidential question in his speeches, and will he tell us who he is for, Greeley or the Louisville nominee?

Why was he humiliated because the railsplitter of Illinois, Abraham Lincoln, was elevated to the Presidency?

Why did he not aid the Union soldiers, particularly the Pennsylvania "boys in blue," by advocating and voting for such measures in Congress as were intended for their benefit?

Why did he espouse the cause of the Fishing Creek rebels in his own county when they organized and armed themselves to resist the authority of the United States, of which he was a sworn servant?

Why did he go all the way to Canada to consort and counsel with the rebel commissioners, who were plotting the burning of our Northern cities and the shipping at our wharves?

Why, if he is honest, did he vote himself the extra five hundred dollars in the Gray-M'Clure case, when the State paid all the expenses of the committee, and when his vote would have prevented the extra pay?

The above are a few subjects upon which the honest, patriotic people of this city and county would like to be enlightened by Buckalew. He prates about his honesty, and here is a chance to prove his sincerity—although it is cheeky in any man to talk of his own honesty.

NOW, LET US HAVE THE TRUTH.

There is a significant reticence on the part of the sorehead and copperhead journals in coming to an explanation and defense of the vile and venal record of Mr. Charles R. Buckalew.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew was elected to the Legislature as the counsel and representative of the Reading Railroad Company, and that, as a legislator, he has steadily and studiously guarded and promoted the interests of the M'Calmonts and the rest of the English stockholders in that British corporation.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew is the Reading Railroad candidate for Governor of Pennsylvania; that he was nominated by the same Convention that nominated Franklin B. Gowen, President of the Reading Railroad, for Delegate at Large to the Constitutional Convention, and by the same party that seeks to make receiver of taxes of this city, Mr. Henry G. Gowen, another member of the same family, ring and influence.

It is charged, and we challenge a successful contradiction, that Charles R. Buckalew, as a legislator, in open antagonism to old, established and clearly Democratic principle, has advocated and sustained "special legislation" in the interest of moneyed monopolies and corrupt corporations, by which and through which bribery has been encouraged and venality prospered at the Capitol of this Commonwealth.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew favored and was ready to support Alexander K. M'Clure's pet project to steal Nine Millions of State Bonds from the State Treasury in the interest of the Pennsylvania Railroad ring, the same to be replaced by worthless rubbish to the same amount, consisting of bonds of unbuilt and bogus roads, destitute alike of either capital or character the project failing through the exposures begun and continued by the *Sunday Transcript*.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew fathered Alexander K. McClure's rascally attempt at public robbery, known as the Chambersburg Three Million Steal, by which that sum in dollars was to be dragged by legislative act from the State Treasury for distribution among needy and seedy Rebel sympathizers in Franklin county, Charles R. Buckalew being the chairman of the committee having it in charge, and voting to include the disloyal with the loyal in this distribution of plunder—the infamous scheme only failing by one sterling Democratic vote—and that vote not his, it being a part of the scheme that the measure was to be bought through like any article of vulgar merchandise.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew was not true to his country in her time of trial, in that he never uttered one brave word for the Union of the Fathers, or in behalf of the sterling men of Pennsylvania who were laying down their lives that the government might live.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew, in the most critical period of that fearful time, did countenance and fail to oppose the Fishing Creek conspiracy to deter enlistments, and that an order for his arrest for disloyalty was prepared by General Couch and only withheld from execution by the State authorities.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew, during the war, was in direct communication with Rebel emissaries, holding conference with the scoundrel Holcombe, whose mission it was, in the language of Jeff. Davis, to "carry the war where food for the sword and torch await our (Rebel) armies in the densely populated cities * * * which took years of industry and millions of money to build."

It is charged, and we challenge successful contradiction, that Charles R. Buckalew, now so tenacious as to the State Treasury, refused to aid Governor Curtin in securing the repayment to the State of the money actually spent in sending unmustered troops to Gettysburg, where hundreds were slain in defense of the Commonwealth and the country—the same being six hundred and sixty-seven thousand dollars—and that he treated the claim with contempt and the State officers with contumely.

It is charged, and we challenge successful contradiction, that Charles R. Buckalew, for reasons that will be manifest to the most ordinary understanding and for reasons that are certainly well understood by himself, is supported and defended by Evans, Payne, Miller, Forney, and every scoundrel who shared in the foul fraud by which the State of Pennsylvania was robbed of five hundred thousand dollars, and that he is opposed by Hartranft, who exposed the infamous transaction, and by Hartranft's friends, who are determined that the scandalous truth shall not only be laid bare, to all of them, but that every one engaged in that flagrant conspiracy and division of plunder shall be exposed, arraigned, convicted and punished for their infamous crime.

The above charges, touching Charles R. Buckalew's official career, we are prepared to maintain and sustain, in a lawfully constituted court of this Commonwealth and before the people. They are charges that cannot or ought not to be shirked, as they have been; or left unanswered, as they are likely to be.—They are charges that come home to every true and honest man in Pennsylvania, and as they are successfully answered so ought the popular verdict in October to be. If the war was a "failure," as Democrats like Buckalew assert, and if the lion-hearted Democrats and Republicans who gave up their lives to Freedom "died in vain," as the rebel sympathizers declare, the short and sure way of fixing the fact lies in Buckalew's election. There is no use in beating about the bush in the business, nor is it worth while for either blockheads, soreheads or copperheads to deal in empty humbug. Let them come to the point. Let them dare answer the allegations and specifications touching Buckalew, or *let him dare answer them himself.* We want no side issues—no meaningless asseverations as to this, that or the other man, men, measure or mendacious matter of any kind, color or description; but we do want a fair, square and fair answer, in point and in detail, as to the honesty, patriotism, and, if need be, personal and political purposes, practices and proclivities, past and present, of "the immaculate" Chas. R. Buckalew. Let us have the truth now, and the whole truth. Answer the indictment, now.

HON. U. MERCUR.—The Bloomsburg *Republican* very truthfully says of this distinguished gentleman, the Republican nominee for Supreme Judge: "The election of Hon. U. Mercur for Supreme Judge is generally conceded.—His purity as a statesmen and the unbounded confidence of his constituency are the best pledges to the people of his fitness for the office that is held sacred by the people. It is a remarkable fact that amid the bitter partisanship that usually characterizes political canvasses not even the faintest charges of dishonesty have been made. He is esteemed to-day in his own district after having passed through four bitter political contests as one of the purest men in the nation, both by his political friends and enemies.

It is not necessary to speak of his ability since no doubt has ever been raised upon this point. We have known many men in the political world and we can say with truth that we have never known a more honorable, high-toned and purer man in public life. Judge Mercur will be an ornament to the Judiciary of Pennsylvania.

RICHARD H. Dana, of Boston has a very emphatic power of description, and in a letter to some colored citizens of Boston he photographs Mr. Greeley thus: He "seems to me to be a visionary without root, an extremist without persistency, and a strife maker without courage. He is generally admitted to be vain, unpractical, loquacious, open to flattery, easily intimidated, easily deceived as to men, and intensely desirous of office. And while I have never regarded his hat or his trowsers as strong arguments against him, there is no reason why we should shut our eyes to the fact that he is whimsical, affected, bootish and profane."

THE second trial of Dr. Schoeppe, for the murder of Miss Steineke, several years ago, at Carlisle, was concluded on Saturday week last, and resulted in the acquittal of the prisoner.

THE election of Charles R. Buckalew to the Gubernatorial chair of Pennsylvania, over that gallant soldier and faithful public officer, Major General Hartranft, would be a deliberate insult to every living soldier within her borders, and an indignity to her dead heroes.

Mr. Buckalew, a copperhead, a sympathizer with treason, by his opposition to the Administration of Abraham Lincoln, gave aid and comfort to the Rebels, while they were baring their bosoms to the bullets of the foe.

Gen. Hartranft was sharing their perils, and leading them through blood to victory; while Buckalew was organizing opposition in the North, and communicating with the emissaries of their enemy.

Even when the State was invaded—when her homes were being desolated—when every true bosom within her limits was fired with patriotic determination, and rallying to her defense, Chas. R. Buckalew, a man whom his State had honored with high positions, never uttered one word of cheer to loyal soldiers or of defiance to their foes. Shame upon Pennsylvania should she reward the *traitor*, and condemn the HERO.

NEW IMPROVED ELIAS HOWE SEWING MACHINE!

THE GREATEST PRODUCTION OF INVENTIVE GENIUS, POINTS OF SUPERIORITY, BEAUTY, CONVENIENCE & DURABILITY. IT WILL LAST A LIFE TIME.

ALL of its wearing parts are made of hardened steel, has no Cog Wheels to Break or Rattle; great adjustability, (self-adjusting take-up) adjustable needle-head, will sew light or heavy goods perfect; makes the nicest hem or fell; will gather and sew on, Cord, Tuck, Braid, Binde, Embroider, or will do any kind of work, even make Crotchet Work Perfect.

This Machine makes the celebrated Lock-stitch—the stitch invented by Mr. Howe—alike on both sides. The shuttle tension is upon the thread as it leaves the shuttle, and not upon the bobbin, as in most machines; and this tension is invariable whether the bobbin be full or nearly empty. It is obtained by turning a screw in the shuttle, and can be changed in a moment, without taking out the work, breaking the thread, or threading through holes.—This Machine is now hung on hinges, and the trouble of taking it from the table to clean and oil obviated.

What we claim, in substance, is, that this is an Honest Machine, and if put in your family, will *do* any and all of your work perfectly, will last a lifetime, is a willing and ready servant, and is not subject to FITS.

Persons who have tried all machines are unanimous in declaring this to be the easiest learned of any in the market. In the majority of cases customers learn from the instruction book without further aid.

This Machine is now for sale in your county by Traveling Agents. If you are not called on by them, and you want the Best Machine for the amount of money you pay out, please address I. F. Innocent Amusements.

A friend was in the city of B——, and a near relative, who was a merchant, invited him to dine with him at a restaurant. While waiting for their order to be filled, our friend's relative manifested so much agitation and distress, as to lead to an inquiry into the reason of it whereupon his relative burst into tears.

"I fear," said he, after becoming self possessed, "that Arthur is utterly ruined. He has a perfect passion for gambling."

"I am not surprised," answered our friend, "you will remember what I told you."

"Yes; and you were right, and I was wrong. But it is too late now."

This wealthy merchant was wont to play cards with his children in the parlor. Beginning with them when quite young, he and his wife had spent many of the long winter evenings in playing cards. Our friend had been there and seen it, and had condemned the practice. Again and again he had warned the indulgent parents against nurturing a love for card playing in their sons, that might prove a snare, by and by in the places of vicious resorts. The parents only replied.

"Just the way to keep them out of such places. Provide them with amusements at home, and they will not go abroad for them. Your Puritanic notions would drive many a boy into mischief, just to gratify a desire for innocent games which is not gratified at home."

But a few years had elapsed, and Arthur was twenty-one years of age, and a gambler, The father had satisfied himself that it was even as a brother merchant had told him. While the father did not believe that his son was a guest at public gaming boards, this merchant assured him that it was even so. Scarcely believing that it was possible, he resolved to ascertain; he had observed that his son left his desk where he kept the books of the store, about such a time each day, and was absent an hour or more. He recalled, also, that he had scarcely been at home an evening of late, and frequently was out until after midnight. An apple girl came into his office just before the hour at which he had observed his son to leave the store, and he called her attention to the young man at the desk.

"If you will go upon the opposite side of the street," said he, "and watch that young man when he leaves the store, and tell me where he goes, I will give you a half dollar."

In less than an hour the girl returned to assure the merchant that she could "show where the gentleman was." The father, trembling with emotion, followed her to a street near by noted for its gambling hells, and going directly to a suspicious tenement, and pointing up the stairs, she said, "He went up there."

The father rushed up the stairway, and opening the door at the head of it, what a spectacle appalled his sight. There sat his son with a group of professional gamblers, fascinated with the game for money, as a few years before he had been fascinated by it in the parlor for pleasure. The father saw the connection between the places and the sports, as if the hand of the recording angel had drawn it. He was well nigh overcome. The great mistake of his life flashed upon his view to oppress and torment him. An "innocent pleasure" had grown into a hideous crime. What he did for the enjoyment of his son had ruined him for ever.

He related all the foregoing circumstances to our friend, seeking neither to justify himself nor "innocent pleasures," but confessing his error, and owning that games which are vicious in places of public resort cannot be wholly innocent in the parlor.—*American Messenger.*

The Character of Hartranft.

The *Bucks County Intelligencer* says: Those who are best acquainted with Gen. Hartranft give uniform testimony to the manly simplicity of his character, marked as it is by singular fairness and by an utter absence of pretension of any kind. He is that sort of a man to whom one at first sight surrenders his confidence, with an absolute assurance that it will not be abused. Yet there is a shrinking modesty in the man that somewhat conceals the talent and energy which lurk beneath, and require occasion to bring to the surface. This is the charm of his war record, now so offensive to his systematic defamers. Every school-boy knows that at the first note of the war trumpet Hartranft led his regiment to the front, and that when the courage of his men failed and they turned their backs on danger, Hartranft remained and was found where danger and death were rifest. So through the war, this unpretending, courageous citizen showed himself equal to every occasion of difficulty or danger in which he was called upon to act. Hartranft's character for skill and nerve is most legibly written in the terrible passage of arms at Fort Steadman. The Rebel general in his design to break Grant's line around Petersburg, massed his forces, and in a desperate charge overwhelmed our men, took Fort Steadman and turned our guns on the dismayed and fleeing defenders. Hartranft's keen eye and his clear mind at once formed the plan by which defeat was turned into decisive victory. He was not in full command, but he did the work which the officers above him were afraid to attempt. He was completely successful, the fort and our guns taken by the enemy were recovered, and several thousand prisoners captured, with many other trophies of war. Hartranft received the thanks of General Grant on the field, and his name then passed into history.

Character is not made in a day; it is not an accident, the sport of every idle whim; it is inherent in the architect of it. Yet it is not absolutely his in the sense of property, any more than a fine landscape is his who owns the acres.—The character of Hartranft, as of all heroic citizens, is one of the richest treasures of the universal Yankee nation; and woe to those who, from base, sordid or factious motives, attempt to degrade, villify or weaken that which is truly the glory of the people. Yet this plain, worthy citizen is now made the target at which the most bitter animosity known in our history discharges its poisoned arrows. It was Hartranft who made known to the public the disgraceful Evans affair, and has thus well merited the hatred of those who profited by it. It is to be seen whether calumny is to vanquish truth. We have no fear of the result.

Hartranft, like the President, is no palaverer, but like all true men, he has faith in himself, faith in truth, and faith in the intelligence of the masses. He is foreordained to be the Governor of Pennsylvania, as he was to be the hero of Fort Steadman.

CLEARFIELD COUNTY, SS:

The Commonwealth of Pennsylvania to the Sheriff of Clearfield County, Greeting: Whereas, by virtue of a writ of *fieri facias*, bearing teste the 23d day of March, A. D. 1872, we commanded you, that of the goods and chattels, lands and tenements of the Derby Coal Company of Pennsylvania, late of your county, yeoman, in your bailiwick, you should cause to be levied as well a certain debt of $1610,25, which W. T. Shirley use of Charles Fincks in our County Court of Common Pleas, of the county aforesaid, before Judges at Clearfield, recovered against him, as also, $24 like money which to the said Plaintiff in our said county Court were adjudged for his damages which to him had accrued by occasion of the detention of that debt; and that you should have the moneys before our Judges, at Clearfield, at our county Court of Common Pleas, there to be held for the county of Clearfield, on the first Monday of June, to render to the said Plaintiff for his debt and damages aforesaid, whereof the said Defendant were convict. At which day, before our Judges, at Clearfield, you returned that by virtue of the said writ to you directed, you had seized and taken in execution a certain tract of land situate partly in Morris township, Clearfield county, partly in Rush township, Centre county, Pennsylvania, adjoining, and bounded by tracts surveyed on warrants to Jacob Wideman, Robert Glenn, David Sanch, and George Habacker, containing three hundred and fifty-four acres more or less, and being the same tract surveyed on warrant to Peter Yarnell. Also one other tract situate principally in Rush twp., Centre county, and balance in Morris twp., Clearfield county, Pa. Beginning at the mapel corner of Jesse Yarnell, thence by same north 70¾° west of 193½ perches to maple on bank of Moshannon Creek, thence down the same 719 perches to a post, thence by land of Jacob Rush south 68° west, 102 perches to the place of beginning, containing 423¼ acres and allowance and being surveyed on warrant to Benjamin Martin, late of the estate of the said the Derby Coal Company of Pennsylvania, with the appurtenances, which said tract of land and premises remained in your hands unsold for the want of buyers, so that you could not have the said moneys in the said writ mentioned at the day and place therein mentioned, to render to the said Plaintiff, for his debt and damages aforesaid, as by the said writ you were commanded. And that the residue of the execution of said writ appeared in a certain schedule thereunto annexed; by which schedule or inquisition it appears that the rents, issues and profits of the above described property, in your said return upon our said writ thereunto annexed, are not of a clear yearly value beyond all reprisals sufficient, within the space of seven years, to satisfy the debt and damages in our said writ mentioned.

We therefore command you, that the said tract of land, with the appurtenances, so by you seized and taken into execution, you expose to sale, and that you have the moneys before our Judges, at Clearfield, at our county Court of Common Pleas, there to be held on the 4th Monday of September next, to render to said Plaintiff for his debt and damages. And have you then and there this writ.

Witness, the Hon. C. A. Mayer, President Judge of our said Court, at Clearfield, the 7th day of June, 1872. A. C. TATE, *Prothonotary.*

Hoofland's German Bitters.

A Bitters without Alcohol or Spirits of any kind.

Is different from all others. It is composed of the pure Juices, or VITAL PRINCIPLE OF ROOTS, HERBS, and BARKS, (or, as medicinally termed, Extracts,) the worthless or inert portions of the ingredients not being used. Therefore in one Bottle of this Bitters there is contained as much medicinal virtue as will be found in several gallons or ordinary mixtures. The Roots, &c., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist, and forwarded to the manufactory in this city, when they compounded and bottled. Containing no spirituous ingredients, this Bitters is free from the objections urged against all others: no desire for stimulants can be induced from their use, they cannot make drunkards, and cannot under any circumstances, have any but a beneficial effect.

Hoofland's German Tonic,

Was compounded for those not inclined to extreme bitters, and is intended for use in cases when some alcoholic stimulant is required in connection with the Tonic properties of the Bitters. Each bottle of the tonic contains one bottle of the Bitters, combined with pure SANTA CRUZ RUM, and flavored in such a manner that the extreme bitterness of the bitters is overcome forming a preparation highly agreeable and pleasant to the palate, and containing the medicinal virtues of the Bitters. The price of the Tonic is $1,50 per Bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a pure quality. A poor article could be furnished at a cheaper price, but is it not better to pay a little more and have a good article! A medicinal preparation should contain none but the best ingredients; and they who expect to obtain a cheap compound, and be benefittad by it, will most certainly be cheated.

PHILADELPHIA, March 16, 1871.

I find "Hoofland's German Bitters" is a good tonic, useful in diseases of the digestive organs, and of great benefit in case of debility and want of nervous action in the system. Yours, truly,
GEO. W. WOODWARD.

HON. JAS. THOMPSON, *Chief Justice of the Supreme Court of Pennsylvania,*

PHILADELPHIA, April 28, 1867.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of indigestion or Dyspepsia. I can certify this from my own experience of it.
Yours, with respect, JAS. THOMPSON.

HON. GEORGE SHARSWOOD, *Justice of the Supreme Court of Pennsylvania.*

PHILADELPHIA, June 1, 1868.

I have found by experience that "Hoofland's German Bitters" is a very good tonic, relieving dyspeptic symptoms almost directly.
GEORGE SHARSWOOD

HON. JAS. M. WOOD, *Ex-Mayor of Williamsport, Pa.*

I take great pleasure in recommending "Hoofland's German Tonic" to any one who may be afflicted with Dyspepsia. I had the Dyspepsia so badly it was impossible to keep any food on my stomach, and I became so weak, as not to be able to walk half a mile. Two bottles of Tonic effected a perfect cure. JAMES M. DR. HOOFLAND'S
PODOPHYLLIN,
Or Substitue for Mercury Pills.
TWO PILLS A DOSE.
The Most Powerful, Yet Innocent Vegetable Cathartic Known.

It is not necessary to take a handful of these Pills to produce the desired effect; two of them act quickly and powerfully, cleansing the Liver, Stomach and Bowels all impurities. The principal ingredient is Podophyllin, or the Alcoholic Extract of Mandrake, which is by many times more powerful, acting and searching than the Mandrake itself. Its peculiar action is upon the Liver, cleaning it speedily from all obstructions, with all the power of Mercury, yet free from the injurious results attached to the use of that mineral.

For all diseases, in which the use of a cathartic is indicated, these pills will give entire satisfaction in every case. They NEVER FAIL.

In cases of Liver Complaint, Dyspepsia and extreme costiveness, Dr. Hoofland's German Bitters or Tonic should be used in connection with the Pills. The tonic effect of the Bitters or Tonic builds up the system. The Bitters or Tonic purifies the Blood, strengthens the Nerves, REGULATES the Liver, and gives strength, energy and vigor.

Keep your Bowels active with the Pills, and tone up the system with Bitters or Tonic, and no disease can retain its hold, or ever assail you.

Recollect that it is DR. HOOFLAND'S GERMAN REMEDIES that are so universally used and highly recommended; and do not allow the Druggist to induce you to take anything else that he may say is just as good, because he makes a larger profit on it. Miscellaneous.

VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the system, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain longun well, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are the best safe-guard in cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassfull. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.

VOTE for Levi A. Miller for Sheriff.

Work! WORK!! WORK!!!

REPUBLICANS remember that Saturday the 28th of Sept. is the last day on which you can get registered.

"LAUGH and grow fat" is an old motto, but you cannot always do so unless you drive away pain by using Pain Cure Oil. Sold Wholesale and Retail by F. P. Green Druggist Bellefonte Pa.

GET REGISTERED.—Republicans who are not yet registered will please bear in mind that Saturday, September 28th is the last day for attending to that duty. Examine the lists at once, and see if your name is there, as well as that of your neighbor. Do not neglect this important duty.

PEACHES.—Our friend John Daley of Curtin township wishes us to state, that he can supply our readers with peaches, provided they send in their orders soon. That Daley peach farm is one of the institutions of Centre county. The peaches are the choicest and best. Persons ordering peaches by letter should address John Daley Howard, Pa.

LIST of Letters remaining in the Bellefonte Post Office and unclaimed Sept. 9th, 1872.

Miss D Briant, Mrs L Briant, Wm Bottorf, Miss Emelina Bower, Daniel Brial, Levi Garbrich, Daniel Hoover, George Houseal Miss Mary Leary, Wm Merrow, John Middleton, Isaac Mulberger Wm Moore Isaac Miller, Wm Riddles, Edward Stickler, Mrs D K Sweetwood, Charlotte Shaffner, Miss Mollie Schriver, Rev Mrs Swinden, Jacob Williams.

THANKS.—Wm. B. Eckley, of Benner township, has our thanks for a basket of as fine peaches as was ever raised in the State of New Jersey or Delaware.—He deserves great credit for the interest he has taken in growing this delicious fruit. Why is it, that our farmers generally pay so little attention to fruit growing and especially peaches. Our winters are cold we know: but with a little care, we can succeed in raising peaches, just as well as any of our sister States. Mr. Eckley has fully demonstrated this fact. Will our readers profit by the example he has set them? Plant peach trees.

BEAT IT.—Elias Musser Esq., of Millheim this county has in his garden, a tomato stock which measures eight feet in length and contains 60 full grown and large sized tomatoes. He has named it the Grant, Wilson and Hartranft tomato and will be able, he says, to supply the whole county next year with seed. Mr. Musser is right in thus preserving this seed and providing for the wants of the people; but mark our prediction there will be on the 2nd Tuesday of October next the "biggist" and liveliest, purist and most uncontaminated yield for Hartranft that the old Keystone has ever rolled up. You may call them tomato's if you please; but they are the men who saved the Government, and have determined to rule it. Farewell Cops.

TOO POOR.—Moore, of the *Rural New Yorker*, was sitting in his office one afternoon some years ago, when a farmer friend came in and said:

"Mr. Moore, I like your paper, but times are so hard that I cannot pay for it."

"Is that so, friend Jones? I'm very sorry to hear that you are so poor; if you are so hard run I will give you my paper."

"Oh, no! I can't take it as a gift."

"Well, then, let's see how we can fix it. You raise chickens, I believe?"

"Yes, a few, but they don't bring anything, hardly."

"Don't they? Neither does my paper cost anything, hardly. Now I have a proposition to make to you. I will continue your paper, and when you go home you may select from your lot one chicken and call her mine. Take good care of her and bring me the proceeds, whether in eggs or chickens, and we will call it square."

"All right, brother Moore," and the fellow chuckled at what he thought a capital bargain. He kept the contract strictly, and at the end of the year found that he had paid four prices for his paper. He often tells the joke himself, and says he never had the face to say he was too poor to take a paper from that day.

A FEW VOTES NOT EXPLAINED.

As Mr. Buckalew and his friends are in the way of explaining his record as a United States Senator we submit a few:

January 13, 1864. On the motion that preachers drafted into the army *may* be employed in hospitals, Mr. Buckalew voted NAY.

March 10, 1864. On the passage of the bill to equalize the pay of soldiers, Mr. Buckalew voted NAY.

February 23, 1864. On a proposition to discharge all the colored soldiers, Mr. Buckalew voted YEA. (This was just what the rebels wanted. Jeff. Davis would have voted the same way if he had been a Senator.)

March 31, 1864. On a motion to strike out in the organic act of the territory of Montana, the words "white male citizens," Mr. Buckalew voted NAY. On the same day he voted YEA, to prevent colored people from becoming citizens of the United States.

April 28, 1864. On the passage of an act to increase temporarily the duties on imports, Mr. Buckalew voted NAY.—(This being a free-trade vote, of course commends him to the free-trade Buckalew papers, and at the same time favored the rebels, because it was against raising money to carry on the war.)

May 11, 1864. On the passage of the National Banking act Mr. Buckalew voted NAY.

June 17, 1864. On the passage of the bill to *increase* the duties on imports Mr. Buckalew voted NAY.

June 23, 1864. On the passage of the bill repealing the Fugitive Slave Law, Mr. Buckalew voted NAY.

June 29, 1866. On the passage of the bill to restrict the expense of collecting the soldiers' claims against the Government, Mr. Buckalew voted NAY.

Feb. 2, 1866. On the passage of the "CIVIL RIGHTS BILL," Mr. Buckalew voted NAY.

July 25, 1866. On the *increase of the salaries of Senators*, Mr. Buckalew voted YEA.

Feb. 17, 1869. On the passage of the Fifteenth Amendment to the Constitution of the United States, Mr. Buckalew voted NAY. (The Fifteenth Amendment reads as follows: "The right of citizens of the United States *to vote* shall not be denied or abridged by the United States or by any State on account of *race, color* or previous conditions of servitude.") These are a few of the votes given by a man Republicans are asked to elect Governor.

[For the REPUBLICAN]

CENTRE HALL, PA., Sept. 12, '71.

EDITOR REPUBLICAN.—It is not often that Pennsvalley Democrats resort to your paper, inasmuch as you are their deadly foe, politically speaking; but in this instance it becomes necessary, as neither the *Watchman* or *Reporter* are willing to have members of their party give their own honest and conscientious opinions. For this reason I ask a small space in your columns, knowing that my views correspond with yours in one particular case.

I am a Democrat and expect to vote the entire Democratic ticket with but a single exception—that of Sheriff. My reasons for so doing are, that the entire ticket presented is a good one—not even excepting that of Sheriff—and with all due defference to Mr. Shaffer, I must say that Levi Miller is the most deserving candidate for that office for this reason: He is a poor man, while his opponent is rolling in wealth, and, moreover, Levi is well qualified for the position—his honesty and integrity cannot for a moment be doubted—and the manner in which he is conducting the canvass has already won for him golden opinions on this side of the mountains among thinking Democrats. Let Mr. Shaffer remain and attend to his farm and turnpike stock, in which he is so much absorbed, and by so doing he will make friends among Pennsvalley Democrats, many of whom will vote for Miller regardless of party lines or what the *Watchamn* and *Reporter* can say.

Poor "Shaf" had better put his turnpike in good order, as he will be wanting to travel over it after the second Tuesday of October in an entirely different direction to his wishes.

PENNSVALLEY DEMOCRAT.

GRANT, WILSON AND HARTRANFT CLUB.—Let it be positively undestood that the Grant, Wilson and Hartranft Club meets regularly, every Saturday evening, at the WIGWAM, precisely at 8 o'clock. The Executive Committee has arranged a programme for the series of meetings during the campaign, that can't help but interest, entertain and instruct. So, let the citizens flock to the Wigwam on each Saturday evening, from this time until after the Presidential election, where the political canvass will be discussed and defined by able speakers.

WE agree with the Chicago *Times*, the ablest Democratic organ in the West, when it declares that the result of the Maine election is "quite sufficient to indicate that the Greeley business is the most absurd and contemptible fiasco in the history of American politics."

BERKS COUNTY will cast a larger Republican vote for Hartranft next October than she has ever before given a Republican candidate.

IF YOU do not want the Law Library bill re-enacted vote for J. G. Kurtz, for the Legislature.

WHY BUCKALEW SHOULD BE DEFEATED.

Because, during his term of office, he voted steadily against all the measures essential to the vigorous prosecution of the war.

Because, instead of fairly representing loyal Pennsylvania in the Senate during the war, his only aim seemed to be to embarrass the government and give aid and comfort to the enemy in the field.

Because he voted in the Senate against conferring the rights of citizenship upon the colored race.

Because, after the war had progressed to its climax, he deliberately conferred with the rebel commissioners in Canada as to the means of forcing the conclusion of a treaty of peace with the enemy.

Because, he stands on record against every war measure, and against every forward movement in the line of civil progress from emancipation to suffrage.

Because, he is an adherent of the State sovereignty party, and opposed to any national government with sufficient power to defend itself from destruction.

Because, if elected Governor, he would carry these ideas into the position, and embroil the State with the national government as Governor Seymour, of New York, did during the war.

Because Buckalew, if elected Governor, would, from his record, furnish no protection to the colored race in this Commonwealth in their newly acquired rights; which, therefore, in strong Democratic districts, would be absolutely ignored.

Because, as Governor, his influence would be used against the whole public policy under which the State has prospered so greatly, he having opposed all that has been done.

Because, he has no executive or administrative ability, and has shown himself a mere politician and seeker after place and pelf.

Because, neither he nor his party come before the public with affirmative measures of their own, but either confine themselves to negations or appropriate the measures of other parties.

Because he has no practical knowledge of finance.

Because he represents a party that has uniformly increased the debt of the Commonwealth, and as uniformly prevented all reduction.

Because he represents a ring whose aim is to get possession of the State government, so as to render the finances of the State available for party purposes as the Tammany Ring used the funds of New York city.

Because, in case the nation should become involved in war during his term of office, he would, as his record shows, allow no more than a limited and grudging service from Pennsylvania.

Because this Commonwealth has no desire to be arrayed against the national government, as she would thus be, but believes her own interests to be identical with those of the Union.

Because true peace is only to be reached by depriving such inveterate obstructionists of all positions in which they could render themselves formidable for mischief.

Because he has no active sympathy or accord with the great industrial interests of the Commonwealth; is really in sympathy with the free trade movement called revenue reform, and would, as Governor, misrepresent entirely the sentiment of the State by advocating this policy in his messages to the Legislature, thus putting the State before the country in the false attitude of having abandoned her cherished policy and ignored her own great interests.

Because his six years' term as United States Senator was a lamentable failure from beginning to end, devoid of statesmanship or ability, possessing neither force nor merit; a record of disloyalty and indolence, and can be only explained upon the principle that he was conscious of misrepresenting the sentiment of his State the entire time.

Because he represents the policy of his party in Pennsylvania for forty years past, of utter hostility to banking on any scale adequate to the wants and interests of so great a State; a policy that kept us so long in a condition of vassalage to New York, and under the effects of which we still suffer to a great extent, in consequence of the suspicion of all fiscal institutions, engendered by his party leaders.

Because as Governor his power would be used to give effect to these views, to cramp the energies and restrain the enterprise of the capital of the Commonwealth, to foster the prejudices of labor against capital in banking and corporate enterprise, as he is and has been all his life essentially that kind of a demagogue.

Because to have a Governor animated by such a policy would be a real disaster to the State in the present condition of her affairs, and would restrain capital, divert enterprise elsewhere, prevent labor from obtaining employment to the extent it should, and, in fact, would disseminate a feeling of uneasiness in a State whose condition is so sound and prosperous that confidence should be general, and energy unrestrained.

Because, through the most critical as well as the grandest period of the nation's history, he has spent his time in trying to make himself a nuisance generally, and has been so entirely successful that he ought now to have his reward in one final, terrible, and conclusive defeat that would settle his aspirations for the remainder of his life.

THE NINE MILLIONS STEAL.

M'CLURE, BOMBERGER AND BUCKALEW READY FOR THE BUSINESS.

The Patriot Defines Its Position.

The readers of the *Telegraph* will remember very distinctly that when the bill to steal NINE MILLIONS OF DOLLARS FROM THE SINKING FUND was introduced, the *Patriot* of this city came out in a flaming article on the 10th of March, 1870, condemning the measure, and that the *Telegraph* of the same date announced the fact in the following language, viz:

THE ALARM SOUNDED.

Our neighbor over the way sounds the alarm this morning over some iniquitous bill which, he says, is to be introduced and passed through the Legislature, running off with the entire Sinking Fund. While we have not seen or heard anything of the bill, we predict that our neighbor will have nothing further to say on the subject, he having discharged his duty.

Verily this was the first and last article against the measure. The editors of the *Patriot* had apparently been convinced after the first blast from its bugle. The course of the *Telegraph* is so well known that no defense for our part is necessary, and it does not become for our extremely honest neighbor to accuse others of advocating a measure which it knows to be false in every respect, when every man and woman in this city noted the wonderful change which came over the editors of the *Patriot* in no less than twenty-four hours. *We don't mean to say that M'Clure had seen them but we do say that the paper became the advocate of the steal.* On the 6th of April, 1870, we published the following about the miraculous change of our neighbor:

When, some weeks ago, the *Patriot* came out in a double-leaded leader denouncing the transfer of the Sinking Fund bonds to the Jersey Shore, Pine Creek and Buffalo railroad, and we suggested that the last denunciation of the project which would appear in that paper was contained in the article referred to, did it believe we were true prophets? Was it then in favor of "mobilizing" the Fund? If not, what has caused it to defend now what it then denounced? A "fiscal agent?"—or anything of that sort you know.

The *Patriot* now announces "THAT THE NINE MILLION BILL HAS BEEN ABANDONED." This is the richest announcement of the day. M'Clure was especially elected by a gigantic railroad company to assist in stealing the NINE MILLIONS from the Treasury, and BOMBERGER, from this county, who is ready to anything that Alex. M'Clure wants and the *Patriot* dictates, will cash the checks issued to bribe members of the Legislature to pass the bill.

Buckalew is to be elected by M'Clure, and he in return has agreed to sign any bill Aleck wants. This is the bargain and WE DARE THE *Patriot* TO DENY IT.—*Harrisburg Telegraph.*

HOW TO GO WEST.—This is an enquiry which every one should have *truthfully* answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money.

The "C., B. & Q. R. R.," running from Chicago, through Galesburg to Burlington, and the "I., B. & W. Route," running from Indianapolis, through Bloomington to Burlington, have achieved a splendid reputation in the last two years as the leading Passenger Routes to the West. At Burlington they connect with the B. & M. R. R. and from the great Burlington Route, which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Centre County, on their way westward, cannot do better than to take the BURLINGTON ROUTE.

"This Line has published a pamphlet called "How to go West," which contains much valuable information; a large correct map of the Great West, which can be obtained free of charge by addressing the General Passenger Agent B. & M. R. R., Burlington, Iowa. no-28-4-mo.

FOR SALE.—The subscriber offers for sale, stock, good-will and fixtures of Harness Shop and House Furnishing Goods of his establishment, No. 45, Main St., Lock Haven, Pa., one of the best business points west of Phila. for the trade. I am not a harness maker, and wish to give my attention to some other business. This is a rare chance, seldom offered, being one of the best business stands in the city, and centrally located. Stock will be reduced eight hundred dollars if desired by the purchaser.

☞ BY ONE OF THE LEADING PHYSICIANS of Philadelphia city.—A careful examination of mortuary statistics establishes the fact that one adult person out of every six dies of consumption, and so alarmingly is this disease gaining the ascendancy over all other ills to which flesh is heir, that its approach to one's immediate circle is regarded with perfect horror. If you will carefully examine the records of Materia Medica you will invariably discover that the general want of success in treating diseases has not been a deficiency of pathological knowledge of the functions affected, but of a suitable compound that would act upon the disease and all the sympathetic affections.

This want has at last been met in the Bitter Wine of Iron, prepared by the celebrated Dr. E. F. Kunkle, No 259 North Ninth street, Philadelphia. This excellent compound can be taken by persons with the most delicate stomach without any debilitating effect always giving strength and largely increasing the nervous energy of the patient. In all cases of pulmonary complaints it is admirably adapted to relieve the severity of the symptoms in the advanced stages of the disease, or to arrest it in its incipiency. If you want something that will give you strength, a good appetite, build up your constitution, and in place of moroseness and a lack of energy, give you a brisk and vigorous feeling, try Kunkel's Bitter Wine of Iron. It has already received the meed of praise from thousands who have tested its virtues, and for many years maintained its reputation with unfaded popularity.
